## Venice – the quarter Cannaregio and his hidden Gardens

Our gardenexpert and writer of a famous book about secret Gardens of Venice guides you through an exclusive and suggestive walk, in english spoken, in the authentic kept Cannaregio. Bookable for max. 5 person or individual.

The lovely Tour begins at 10.00 AM or 3.00 PM from the station that takes you first through the public Park Savorgnan to make you inspire by the charakteristika of the typical venecian Gardens. After you wander through the atmosphere of the Ghettos with his baroque synagogues, you get to the district of the Church Madonna Dell'Orto, that gives you a view to the north side of the Laguna.

One of the most admired walks is the romantic and atmosphere giving Park from the 15. century of Palazzo Rizzo Patrol. His origin used to be a botanical Garden with his elegant Loggia palladian influence was even in those days a peculiarity to show the foreigners.

Also the Gardens of Palazzo Contarini dal Zaffo layes towards the north of the Laguna and the wide water surface of the Sacca della Misericordia. He counts one of the most important Renaissance Gardens with his particular prospects illusion and the richness of the Statues in Venice. The fantastic view on the open Laguna is just awesome!

Getting to the end, our Garden expert guides you through the enchanted garden from the 14. century Palazzo Calbo Priuli, a green oasis of a rich flower splendor designed by the owner Maria Luisa Rossi.

This amazing walk through the Gardens ends towards 12.30 PM or 5.30 PM for the afternoon tour.
